

The Crucible - ABC Book Project

English 11 _____

Objective: To create an ABC book from The Crucible using all the letters of the alphabet, quotes from the text to support your word choice, an analysis of the word and quote, and an illustration that fits the word.

Plan:

- **STEP 1:** Using each letter of the alphabet (A-Z) find a word, literary term, character name, setting, character trait, event, etc. which begins with each letter of the alphabet. For some of the more obscure letters (Q, X, Z) you are going to have to dig deep and be creative.
- **STEP 2:** Find a quote from the text that supports the word you chose for each letter. You will find a quote for each letter/word which means you will have 26 quotes.
- **STEP 3:** Explain the quote and how the words that you chose for that letter are related to the text. This should be a thorough explanation. (more than 5 sentences)
- **STEP 4:** Provide an illustration for each letter. These illustrations can be drawn, cut out of magazines, or computerized.
- **STEP 5:** Put all the pages together and bind them in some way to form an ABC book.
- **STEP 6:** Create a front cover page which includes the title of this project: The Crucible ABC Book, your name, hour, and the date it is to be turned in.

NO LATE PROJECTS WILL BE ACCEPTED. IF YOU ARE ABSENT ON THE DATE IT IS DUE MAKE SURE YOU HAVE THE BOOK TO YOUR TEACHER BY THE BEGINNING OF CLASS.
